

## Diversity and Inclusion (D&I)

- Learning programs that transform:
  - » Diversity and inclusion
  - » Unconscious bias
  - » Navigating the multi-generational workplace
  - » Harassment and discrimination prevention
- Coaching for:
  - » Chief Diversity Officers needing expertise
  - » Leaders who made employees feel uncomfortable
- Tools:
  - » Strategic diversity planning
  - » Programs, policies and procedures (design/implementation)

Creating an inclusive culture is integral to our company. Your Diversity and Inclusion training set the perfect tone.

Founder, Technology Firm

Your Respect at Work class hit the mark! Our team better understands the zero-tolerance policy for harassment and discrimination, knowing how to handle situations if they feel uncomfortable.
